HONOURS AND AWARDS

05/2021

MEKA 2021 Business Management and Marketing event, 1st place winner – Kaunas University of Technology, Faculty of Mathematics, Faculty of Economics, and AB Swedbank I have successfully participated in a nation-wide student entrepreneurship competition Meka2021, organized by LiMA and won 1st place.

My team worked on a marketing campaign for the largest home appliances and electronics retailer in Lithuania.

VOLUNTEERING

2019 – 2022 Vilnius, Lithuania

Volunteering at KTG (Together We Can) KTG is an organization that helps pupils (aged 7-14) who have difficulties in school to improve their understanding and skills in various subjects. I started as a teacher, but soon became a senior volunteer supervisor and had a team of teachers under my command. In the summer of 2021 and 2022, I also worked at KTG summer camp as a group leader supervisor.

02/2019 Vilnius, Lithuania

TechHero2019 challenge organizer I volunteered as a technical counsellor, supervisor, and compiler of the tech parts' orders. I advised teams of younger students which parts to pick for their creative tech project, supervised that the teams participating in the event compete fairly and compiled and balanced the receipts of the parts taken.
